Title: The Perfect Christmas Gift
Subtitle: A Friends and Family Calendar

Event: A short tutorial on creating a semi-perpetual calendar.
Instructor: Tom Browder

Description:

Use your inputs to feed a program that will produce a personalized calendar showing birth dates, anniversaries, phases of the moon, changing of the seasons, holidays, and more. See the example online at <https://tbrowder.net>.

Location: Gulf Breeze Library
Time: 10:00 AM-12:00 PM
Date: Saturday, November 13, 2021
Fee: none
Notice: *This is not a library sponsored program/event.*

Requirements for attendees:

- pencil or pen, paper for notes
- list of significant dates and names for your calendar
- familiarity with MS Notepad or other text editor (instructor help will be available)
- a PC or Mac laptop is desirable

See details online at <http://tbrowder.net>:

- Course description
- Example calendar
- Copy of course slides
- Copy of input files format and instructions
- Instructor background
